Four years is slightly less than one quarter of your life to date. Where you choose to spend the next four will be a most important decision. If you choose college, Findlay could make those years count, whether it be in preparation for a specific career or in pursuit of a yet undefinable goal. A young thinking faculty, informal atmosphere, small student body (1,150) and modern facilities set the stage. You make it work. Choices are unlimited--26 major areas in seven division. foreign study and urban center programs. If these programs do not meet your needs, there's the alternate route where you design your own course of study. If you need money it's available.

We've Only Just Begun

Lyrics by Paul Williams

Music by Roger Nichols

1. We've Only Just Be - gun to live, White lace and
 2. Be - fore the rising sun we fly, So man - y
 3. And when the eve - ning comes our smile, So much of

promises A kiss for luck and we're on our way.
 roads to choose We start out walk - ing and learn to run.
 life a-head We'll find a place, where there's room to grow,

to Goda 1.

And yes, We've Just Begun. Sharing horizons that are

new to us, Watching the signs a-long the way,

Talk-ing it o-ver just the two of us, Working together day to

day to- geth- er. —
